

Saturday, Aug. 16, 2014 – Friday, August 22, 2014

Note: Information in this update is intended to highlight the week's major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: <http://www.nrmssc.usgs.gov/products/IGBST>

Verified Grizzly Bear Killed Livestock

- Verified two (2) calves killed or injured by grizzly bears on Forest Service grazing allotments in the Pinedale Region.
- Verified one (1) yearling as killed and one (1) yearling as injured by a grizzly bear on a public grazing allotment in the Cody Region.

Research and Monitoring

- Completed population monitoring trapping efforts on the Wind River Reservation. One subadult male grizzly bear was captured and radio collared during the efforts.

Bear Management (Captures, Relocations, and Removals)

- Nothing to report.

Law Enforcement and Related Activities

- Nothing to report.

Outreach and Education

- Gave a bear safety presentation at the Washakie Library.
- Deployed electric fences around an apple orchard West of Cody and around a outfitter cook tent North of Jackson.
